UNLIKE OTHER DOCUMENT MANAGEMENT SYSTEMS...

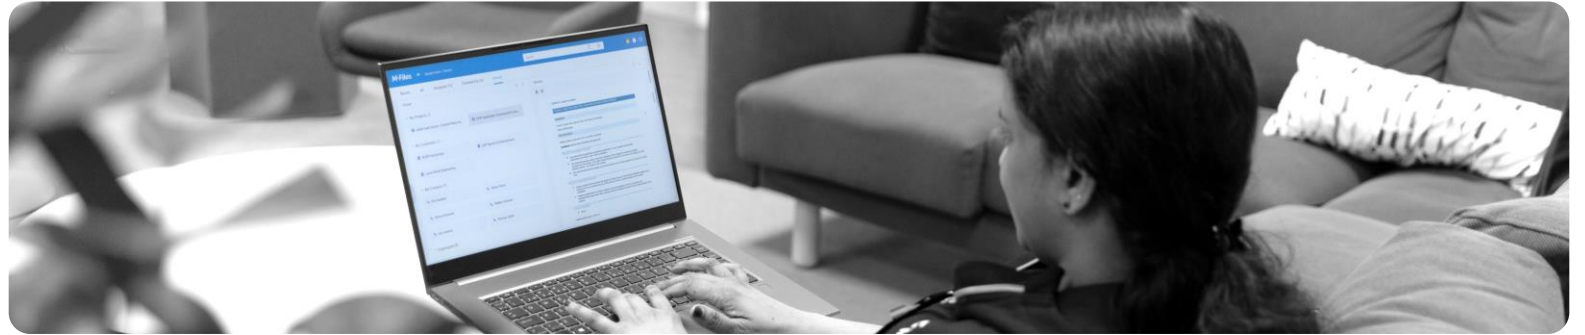

THE M-FILES PLATFORM EMPOWERS CUSTOMERS TO TAKE CONTROL OF THEIR BUSINESS

With M-Files, **managing information** becomes **frictionless** regardless of dependencies, systems, repositories, applications or the number of collaborators.

Knowledge workers can finally access "silent knowledge." With our platform, **storing, searching and sharing knowledge** becomes a natural part of everyone's workday.

Knowledge workers can **work in context** which means they can model their own world with new searches, new views, new workflows or they can follow workflows set by others.

With our platform, the number of **use cases is limitless**. If your business can envision it, you can build the workflow and automate processes.
